### TERMS

Pets are accepted for grooming only under the following conditions:

1. The animal is fit and healthy. Any grooming which takes place on an elderly animal or animal with health problems will be at the owners risk. Grooming may expose pre-existing health/skin problems for which the company cannot be held liable.
2. The animal is vaccinated up to date. Any unvaccinated animal puts itself and others at risk.
3. In the event of any injury or health concern, we are authorized to contact a Veterinary surgeon and authorize the Vet to treat the pet as necessary.
4. Dematting/thinning out of matted hair may cause patchiness and hair loss. Consent to remove the matted hair is on this understanding.
5. Payment will be made as per price list/quote and owners must collect pets at time stated. Uncollected pets will be charged a sitting fee.
6. Shaving/stripping of pets will dramatically change the pets appearance and the hair will be very close to skin. This may expose pre-existing skin complaints. Your written permission will be required to perform this service.

*I hereby agree to the foregoing as owner of the pet.*
